Would you object to a police criminal record check being carried out ?

Yes

No

The Rehabilitation of Offenders Act gives individuals the right not to disclose details of old offences when asked about their criminal record as they are seen as 'spent'. However, there are exemptions to this. If the post you are offered involves contact with children or other vulnerable members of society, or this is seen as a position of trust, you will be asked to apply for a Disclosure Certificate from the Criminal Records Bureau. This certificate will contain information on convictions, both spent and unspent. This information will be considered to ensure that children and other vulnerable groups are adequately protected from those in positions of Authority over them. Somerset County Council adheres to a Code of Practice relating to the Disclosure of Criminal Records produced by the Criminal Records Bureau, which is available on request. Further information on the Disclosure Scheme can be found on www.disclosure.gov.uk

By signing and dating this form you agree to us keeping your details on our database in accordance with the Data Protection Act.
