

ADVANCE NOTICE

Strawberry Line Temporary Closure & Shared User

Between Wednesday 2nd September 2015 & Tuesday 15th September 2015, the Strawberry Line between Weston Road & Drove Way (Nye Road) will be closed to all recreational users (including all cyclists, walkers and joggers) to enable the safe delivery of material to the Carditch Drove Solar Farm development. The affected section of the Strawberry Line is shown in red on the adjacent plan. A diversionary route is shown as a blue dash.

Between Wednesday 16th September 2015 and Thursday 31st March 2016, the Strawberry Line between Weston Road & Drove Way (Nye Road) will be subject to shared use for recreational users and less frequent construction traffic associated with the deployment of the Solar Farm.

Members of the public are advised to be aware of this route closure and the subsequent shared use period. All construction traffic associated with the solar farm will be subject to strict speed limits but other users of the Line should do so with care and follow the locally placed advisory signs.
